

CME & ACCREDITATION STATEMENT

This Activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing

Medical Education through the joint sponsorship of UnityPoint Health-Trinity and Midwestern Association of Plastic Surgeons. UnityPoint Health-Trinity is accredited by the Illinois State Medical Society to sponsor continuing medical education for physicians.

Trinity Medical Center designates this live activity for a maximum of **8.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FAMILY EVENTS & OPTIONS

Springtime in Chicago is exciting and offers a great opportunity to entertain your family for a long weekend. The meeting schedule allows you to explore Chicago's world renowned museums and art galleries, taste the creative talents of the city's celebrity chefs, indulge in shopping or simply enjoy a long walk along the beautiful Lake Michigan shoreline, all within walking distance from your hotel. For more information, visit www.explorechicago.org.

SPECIALTY EXHIBITORS & COURSE SUPPORTERS

As in past years, course attendees will have an opportunity to meet with the industries top companies who will be available to discuss new products and services.

A WORD FROM THE PROGRAM COMMITTEE

On behalf of the Midwestern Association of Plastic Surgeons, we would like to invite you to our 53rd Annual Scientific Meeting to be held Saturday, May 10th in Chicago. Our program includes internationally and regionally accomplished plastic surgeon speakers and panelists as well as abstract presentations on cutting edge basic science and clinical research. We look forward to seeing you at this exciting meeting!

Reuben Bueno, MD

President

Raphael Lee, MD

Vice President & Program Chair

OVERVIEW & LEARNING OBJECTIVES

The Midwestern Association of Plastic Surgeons is committed to providing a comprehensive educational opportunity for plastic surgeons in practice and in fellowship or residency training, as well as medical students and other professionals involved in the care of plastic surgery patients.

After participating in this educational meeting, attendees will be able to identify methods that maximize surgical outcome quality following fat auto-transplantation, discuss clinical guidelines to perform outpatient plastic surgery with maximum safety and describe recent advances in methods to perform certain craniofacial, breast and hand surgical procedures.
