## The Midwestern Association of Plastic Surgeons

---

### Learning Objectives:

The Midwestern Association of Plastic Surgeons is committed to providing a comprehensive educational opportunity for plastic surgeons in practice and in fellowship or residency training, as well as medical students and other professionals involved in the care of plastic surgery patients. After participating in this educational meeting, attendees will be able to perform the following: Identify cutting edge aesthetic technical improvements for the face and neck; Gain an awareness about advanced techniques in reconstructive plastic surgery including microsurgery innovations and the use of prosthesis for breast reconstruction; Describe advanced techniques for peripheral nerve reconstruction in traumatic injuries.
